

A young child with dark hair, wearing a grey hooded sweatshirt and blue jeans, is sitting on a large, gnarled tree root in a forest. The child is looking off to the side with a curious expression. The background is a soft-focus green forest. The text 'SAVE FOREST FOR YOUR KIDS' is overlaid on the right side of the image in a bold, teal font.

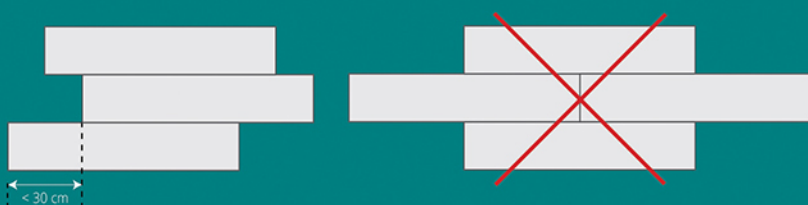

SAVE FOREST FOR YOUR KIDS

WOOD Seires is the wood-effect porcelain stoneware which revamps and redefines naturally worn materials, featuring a deliberately imperfect surface. 5 colours, a wide assortment of sizes, mosaics and outdoor anti-slip treatments. WOOD Series provides distinctive surfaces with an important character, suitable for both public and private spaces, catering to demanding, knowledgeable customers.

ENJOY YOUR HOME.

Wood Series gives interiors all the warmth of wood and all the positive energy of an attractive, dependable floor covering.

In the case of "random" patterns, we recommend offsetting the modules, but by no more than 30 cm.
