

# CASABLANCA

Casablanca is a port city and commercial hub in western Morocco, fronting the Atlantic Ocean. The city's French colonial legacy is seen in its downtown Mauresque architecture, a blend of Moorish style and European art deco. Standing partly over the water, the enormous Hassan II Mosque, completed in 1993, has a 210m minaret topped with lasers directed toward Mecca.

# SAN SEBASTIAN

San Sebastián is a resort town on the Bay of Biscay in Spain's mountainous Basque Country. It's known for Playa de la Concha and Playa de Ondarreta, beaches framed by a picturesque bayfront promenade, and world-renowned restaurants helmed by innovative chefs. In its cobblestoned old town (Parte Vieja), upscale shops neighbor vibrant pintxo bars pairing local wines with bite-size regional specialties.

# LUND

Lund is a city in the province of Skåne, at the southern tip of Sweden. In the cobblestoned old town, the grand, centuries-old Lund Cathedral was built in the Romanesque style. Nearby, the Kulturen open-air museum features replicas of buildings from medieval times to the 20th century. The Lund University Historical Museum displays archaeological relics from the Stone and Bronze ages, plus a large coin collection.

# LECCO

Lecco is a city on the southeastern shore of Lake Como, in northern Italy. It's surrounded by mountains like Monte Resegone, with trails for all levels, and the Piani d'Erna lookout point, accessed by cable car. Monte Barro Regional Park has paths, plus the remains of a 5th-century settlement and the Costa Perla birdwatching station. In the city center is the Basilica di San Nicolò, with its neo-Gothic bell tower.

Code

22860 - Black

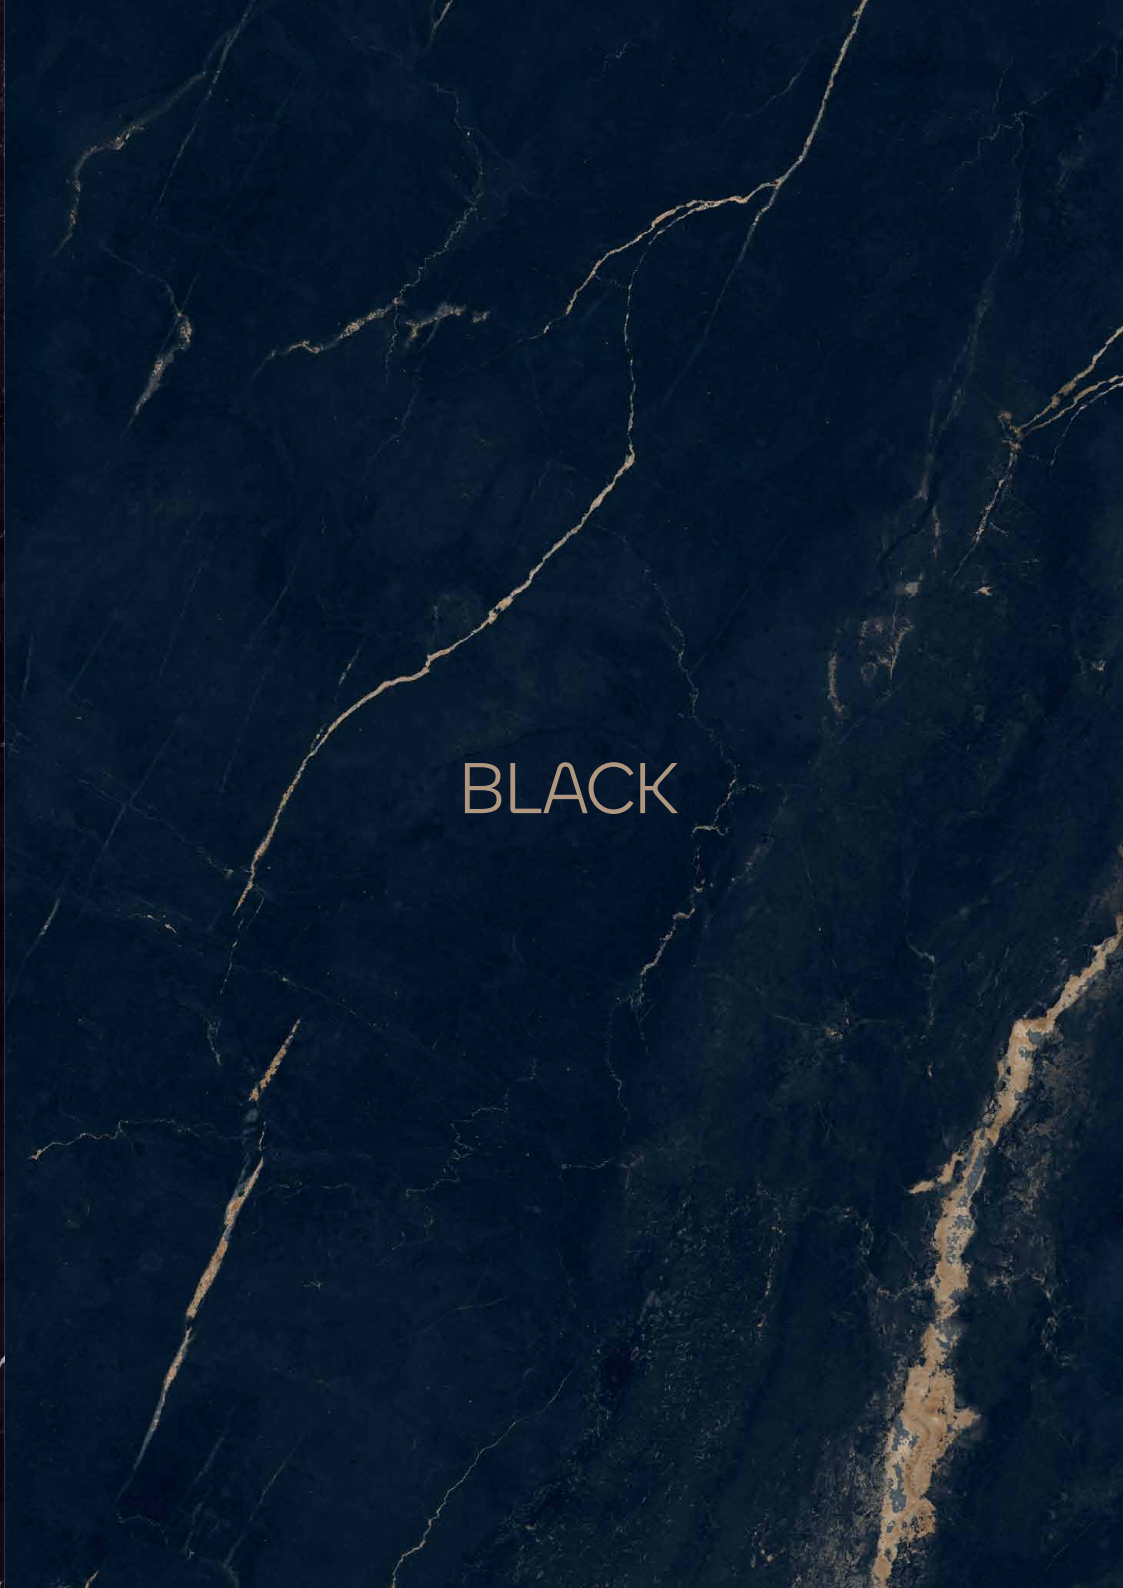

25630 - Black

25670 - Nero

A close-up view of a dark, almost black, marble surface. The surface is characterized by intricate, flowing veins of a light, off-white or pale grey color. These veins vary in thickness and direction, creating a complex, organic pattern. The lighting is slightly uneven, highlighting the texture and the sharp edges of the veins.

NERO

A close-up view of a dark, deep navy blue or black, marble surface. The surface is adorned with delicate, winding veins of a warm, golden-brown or ochre color. The veins are more subtle and fine-grained than those in the left image, creating a sophisticated and elegant pattern. The overall effect is one of luxury and depth.

# SANTORINI

Santorini is one of the Cyclades islands in the Aegean Sea. It was devastated by a volcanic eruption in the 16th century BC, forever shaping its rugged landscape. The whitewashed, cubiform houses of its 2 principal towns, Fira and Oia, cling to cliffs above an underwater caldera (crater). They overlook the sea, small islands to the west and beaches made up of black, red and white lava pebbles.
